Subject: Raised H.B. No. 5545

I am writing to voice my support for HB 5545 to exempt Fairs from certain provisions of the state building code. As a member of the Hebron Lions that put on the Hebron Harvest Fair, compliance with these building codes restricts the use of our Fairgrounds in some areas which makes utilizing all of our property to accomplish our mission difficult. The exemption for portable structures would be very beneficial for our organization.
